**Re: EB-2021-0110 - Hydro One Networks Inc. 2023-2027 Joint Rate Application Technical Conference**

Dear Ms. Marconi:

Pursuant to Procedural Order No. 5, the Quinte Manufacturers Association (“QMA”) will attend the Technical Conference for the above-noted proceeding to be held on May 31, 2022. At this time, the QMA does not anticipate the need to seek clarification on any specific area of Hydro One’s joint rate application, but would like to reserve the opportunity to do so, if necessary.

Respectfully,

A handwritten signature in black ink that reads 'Michael McLeod'.
