Dear Mr. Stiers:

**Re: Enbridge Gas Inc.

Ontario Energy Board File Number: EB-2022-0111**

Further to the Ontario Energy Board's (OEB) acknowledgment letter dated May 9, 2022, the OEB has completed its preliminary review of your **Bobcaygeon Community Expansion Project** application and will now commence the processing of your application. The next steps will be communicated in due course.

On May 4, 2022, Enbridge Gas filed a letter confirming that the documents it has filed in support of the above referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted. On May 16, 2022, Enbridge Gas provided an updated landowner list (Exhibit G, Tab 1, Schedule 1, Attachment 3) removing certain personal landowner information that had been previously omitted.

Enbridge Gas is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*), unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Judith Fernandes, Senior Advisor at 416-440-7638 or judith.fernandes@oeb.ca.

Yours truly,

Nancy Marconi
Registrar
