Dear Ms. Marconi:

Re: EB-2021-0110 – Hydro One JRAP – Submissions on Confidentiality

We are counsel to the School Energy Coalition ("SEC"). SEC has reviewed the reply submissions of Hydro One on its request for confidential treatment, by way of permanent redactions, to portions of its 2021-2027 Integrated Business Plan. Hydro One notes that SEC referred to page numbers that the company has not sought redactions. SEC agrees. In two small instances, the wrong page numbers were referenced. So that there is no confusion, we are re-filing our submissions with the corrected page numbers. The corrections are underlined.

As with our original submissions, the attachment has been filed on a confidential basis, as it references information in the underlying document, which the OEB has ordered to be treated as confidential.

Yours very truly,
Shepherd Rubenstein P.C.
