Re: School Energy Coalition (SEC) - Cost Claim Extension

On May 5, 2022, the Ontario Energy Board (OEB) issued its Decision and Order in this proceeding which among other matters established dates for the filing of cost claims for cost eligible intervenors.

On May 25, 2022, SEC filed a letter with the OEB requesting to submit its cost claim after the May 23, 2022 deadline. SEC explained that its office was closed for the holiday Monday May 23 and Tuesday May 24.

The OEB grants SEC's request given the circumstances outlined by SEC. The OEB has accordingly revised the dates for the filing of cost claims and any objections as shown below:

1. SEC shall submit its cost claim for its participation in the proceeding no later than **May 26, 2022**.
2. Enbridge Gas Inc. shall file with the OEB and forward to all parties any objections to SEC's claimed costs no later than **May 30, 2022**.

All other dates established in the Decision and Order remain unchanged. In particular, SEC shall file any response to any objections on **June 6, 2022**.

Yours truly,

Nancy Marconi
