**DECISION AND ORDER**

MPT Hydro LP filed a complete application on March 24, 2022 under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act) for renewal of its electricity generation licence.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

MPT Hydro LP owns four hydroelectric generation facilities with a total installed capacity of 16.75 MW, located across Ontario. All four generation facilities are operated by Regional Power OPCO Inc. under the authority of its electricity generation licence EG-2003-0207.

After considering the application and assessing technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the electricity generation licence to MPT Hydro LP.

**IT IS ORDERED THAT:**

1. The application is granted, on such conditions as are contained in the attached licence.
