Dear Ms. Marconi,

**Re: Independent Electricity System Operator
Interrogatory Responses
Ontario Energy Board File No.: EB-2022-0002**

The Independent Electricity System Operator (IESO) is writing to file interrogatory responses (IRRs) in accordance with the Ontario Energy Board's (OEB) Procedural Order No. 1 dated April 22, 2022.

The IESO notes that some interrogatories have raised questions/issues which the IESO believes are beyond the scope of this proceeding. The IESO has, in some cases, provided responses in an effort to be of assistance to the parties. The fact that the IESO has provided an answer to these interrogatories should not be taken as an indication that the IESO considers these areas of enquiry to be appropriate for this revenue requirement proceeding.

With its filing, the IESO has included an updated exhibit list. The IRRs have been organized by issue according to the Final Issues List in the OEB's Decision on Issues List dated May 6, 2022.

The updated exhibit list and the chart below help to illustrate this. For example, each IRR has specific references in the header such as: **Exhibit H** - representing interrogatories, **Tab** - representing the issue, **Schedule** – numbered to represent the party, followed by the file name which includes the issue, party, and interrogatory# (e.g., Exhibit H, Tab 1.0, Schedule 2 – 1.0 AMPCO 1, is the reference to the IESO's response to AMPCO Interrogatory 1 under issue 1.0).

Schedule numbers have been assigned as follows:

Parties	Schedule #
OEB STAFF	1
AMPCO	2
CME	3
REASCWA	4
CCMBC	5
EDA	6
EP	7
ED	8
OSEA	11
PWU	12
SEC	13
SUP	14

Please contact me directly at 416-957-3594 or at Devon.Huber@ieso.ca if you have any questions.

Yours truly,

Devon Huber
