Dear Ontario Energy Board Registrar,

Re: Procedural Order No. 5 – Ontario Energy Board File Number EB-2022-0012

We are counsel to the Haudenosaunee Development Institute (“**HDI**”), intervenor in Ontario Energy Board Application File Number EB-2022-0012 (“**EB-2022-0012**”).

We write in response to Procedural Order No. 5, dated May 27, 2022 and, in particular, the Board’s order that HDI advise whether it agrees with Sun-Canadian’s proposed redactions of the draft engagement agreement and Sun-Canadian’s interrogatories regarding same.

HDI advises that it agrees with Sun-Canadian’s proposed redactions of the draft engagement agreement and interrogatories 3-SCPL-1 (b)-(f). Similarly, HDI has redacted its responses to 3-SPCL-1 (b)-(f).

Yours truly,

GILBERT’S LLP
