Enbridge Gas is therefore advising the OEB that the commencement of construction will be on June 27, 2022.

Per Section 9. Of the Conditions of Approval and Section 12. of the Conditions of Licence, Enbridge Gas shall designate one of its employees as project manager who will be the point of contact for these conditions, and shall provide the employee's name and contact information to the Natural Resources, the OEB and to all affected landowners, and shall clearly post the project manager's contact information in a prominent place at the construction site. Enbridge Gas is therefore advising the Board that the project manager for the Project is:
