Dear Ms. Marconi,

**Re: Kingston Hydro Corporation \_Electricity Distribution License ED-2003-0057  
2023 Cost of Service Electricity Distribution Rates Application (EB-2022-0044)**

Please find enclosed an electronic copy of the Kingston Hydro Corporation's rebasing application for distribution rates and other charges to be effective January 1, 2023.

This rebasing application for 2023 rates has been prepared in accordance with the OEB's 4th Generation Incentive Rate-setting method on a single forward test year, cost of service basis, utilizing the OEB's Chapter 2 cost of service (COS) filing requirements document, "For Electricity Distribution Rate Applications - 2022 Edition for 2023 Rate Applications", issued April 18, 2022.

In addition, the application has been prepared using the OEB's Excel data models for 2023 COS Applications, issued May 27, 2022.

Kingston Hydro confirms that it has the appropriate processes and internal controls for the preparation, review, verification and oversight of all deferral and variance accounts.

Please include Kingston Hydro Corporation's legal representation identified in Exhibit 1 sub-section 1.3.3. Legal Representation for all correspondence related to this rebasing application.

Yours truly,

Randy Murphy  
Chief Financial Officer and Corporate Secretary
