Dear Ms Walli

Union Gas Limited
Application for 2006 Deferral Account and Earnings Sharing Disposition
Board File No.: EB-2007-0598
Our File No.: 302701-000416

In our letter to the Board of May 24, 2007, IGUA requested an oral hearing with respect to Union's attempt to reduce the ratepayers' share of 2006 Storage Revenue Deferral Accounts by deferred taxes allegedly attributable to the NGEIR Decision. Will the Board be considering and responding to our request for an oral hearing with respect to this particular issue?

Union has now delivered its Argument-in-Chief with respect to the issue. IGUA and other intervenors need to confer to determine how best to respond to Union's written argument and, before conferring, we would like to know whether there will be an oral hearing of the deferred taxes issue.

Could you please ascertain how the Board plans to proceed and provide a response to our oral hearing request as soon as possible?

Yours very truly
