**RE: EB-2022-0111– City of Kawartha Lakes incl. Bobcaygeon
&
Township of Cavan-Monaghan**

FRPO Request for Late Intervention

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (“FRPO”) in response to the Notice of Application produced May 27th for EB-2022-0111. We understand that the Notice set a deadline of June 20th, however, we were unaware of this filing until after hours yesterday through notification by another party.

FRPO is Ontario’s leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 350,000 rental suites across the province. Our members believe strongly that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board with these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore, FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

ISSUES

EGI has requested Leave to Construct under Section 90 of the OEB Act to install a pipeline through the Township of Cavan-Monaghan and the city of Kawartha Lakes ultimately to serve the community of Bobcaygeon. The application lays out the proposed sizing of the feeder mains to serve the new customers. In our view, the proposed plan warrants clarification and an examination of the proposed sizing of the project.

The Notice of Application provides that the EGI has requested a written hearing. While we do not oppose that request, we believe the best time for that determination would be after the initial round of discovery. Whatever the Board decides, we respectfully request the opportunity to be involved in all aspects of the proceeding that the Board deems necessary including manner of hearing.

REPRESENTATION

If the intervention requested is granted, then FRPO asks that further communications with respect to this matter be sent to the following:
