Dear Nancy Marconi:

**Re: Enbridge Gas Inc.
Ontario Energy Board File: EB-2022-0111
Bobcaygeon Community Expansion Project –
Response to Intervention Applications**

Enbridge Gas Inc. (“Enbridge Gas” or the “Company”) is in receipt of applications to intervene from Environmental Defence (“ED”) and the Federation of Rental-housing Providers of Ontario (“FRPO”) in the above noted proceeding. Enbridge Gas has no objections to these applications.

Within its intervention application, ED requests that the Ontario Energy Board (“OEB”) schedule a Technical Conference within Procedural Order No. 1. Respectfully, it is pre-mature for the OEB to make such provision. Enbridge Gas suggests that a more appropriate time to make a determination in this regard is following an initial round of discovery through interrogatories.

Enbridge Gas is also in receipt of a letter from ED also filed June 21, 2022, wherein ED outlines the nature of the evidence it proposes to submit for this proceeding. Enbridge Gas intends to file a letter in reply to ED’s evidence proposal in the week of July 4, 2022.

Please contact the undersigned if you have any questions.

Yours truly,
