Dear Ms Marconi:

**RE: EB-2022-0141 – Extension Request - EPCOR Natural Gas Limited Partnership (EPCOR),
2022 Annual Gas Supply Plan Updates for Aylmer and South Bruce**

Pursuant to the Ontario Energy Board's (OEB) proceeding initiation letter for the above-noted matter, EPCOR's deadline for responding to written questions from Board Staff and stakeholders is July 11, 2022. EPCOR is requesting an extension of time to file its responses by no later than July 15, 2022.

This additional time will enable EPCOR to respond to questions having had the benefit of review from key staff members of the utility who are currently away from the office due to pre-scheduled vacation. We submit that this extension request is reasonable and will not materially affect the timely conclusion of this proceeding.

Should you have any questions or concerns regarding the above, please do not hesitate to contact me at your convenience.

Yours truly,

Daniela O'Callaghan
