Attention: Nancy Marconi, Registrar

Dear Ms. Marconi:

**Re: Independent Electricity System Operator / Smart Metering Entity 2023 to 2027
Smart Metering Charge Application IR Responses**

Pursuant to the OEB's Procedural Order No. 1 dated May 13, 2022, please find enclosed responses to interrogatories from the Smart Metering Entity.

The SME inadvertently omitted responses to the interrogatories submitted by Energy Probe in its filing dated June 30, 2022.

A revised response to the interrogatory requests is attached. The SME's responses now include responses to the Energy Probe interrogatory requests.

An electronic copy of the responses has been submitted using the Board's Regulatory Electronic Submission System.

Yours truly,

Patrick G. Duffy
