Dear Mr. Hesselink:

**Re: EPCOR Natural Gas Limited Partnership (ENGLP)  
Consultation to Review Annual Update to Natural Gas Supply Plan  
Ontario Energy Board File Number: EB-2022-0141**

This letter is in response to your letter to the Ontario Energy Board (OEB) dated July 5, 2022, requesting an extension to the date for the filing of responses to written questions from OEB staff and stakeholders from July 11, 2022, to July 15, 2022.

The OEB grants ENGLP's request for an extension. ENGLP shall file with the OEB and serve all parties its responses to written questions from OEB staff and stakeholders by July 15, 2022. Accordingly, the dates for all other procedural steps outlined in the OEB's letter dated May 10, 2022, have also been extended.

Following the responses to the questions, stakeholders will have an opportunity to submit written comments on ENGLP's GSPs by August 3, 2022. ENGLP will then have the opportunity to review the written comments and decide whether to: (i) provide written comments in response, and/or (ii) revise its plan and provide a revision statement that outlines any changes, together with the rationale for those changes. ENGLP shall file its written comments and/or revision statement by August 18, 2022.

Following the responses and any revisions to the GSP, OEB staff will prepare and file its recommendations. As set out in the Framework, following consideration of OEB

staff's recommendations, the OEB may determine that a proceeding is required. Unless the OEB decides to hold a hearing to consider any component of the Annual Updates, the review process will conclude with OEB staff's recommendations.

Yours truly,

Theodore Antonopoulos  
Vice-President, Applications
