Re: The Canadian Manufacturers and Exporters (CME) – Cost Claim Filing Extension

On June 16, 2022, the Ontario Energy Board (OEB) issued its Decision and Order in this proceeding which among other matters established dates for the filing of cost claims for cost eligible intervenors.

On July 11, 2022, CME filed a letter requesting the OEB accept its cost claim if filed after the July 4, 2022 deadline. CME explained that the delay in filing was due to an administrative error pertaining to the required filing date.

The OEB grants CME's request. The OEB has accordingly revised the dates for the filing of cost claims and any objections as shown below:

1. CME shall submit its cost claim for its participation in the proceeding no later than **July 13, 2022**.
2. Enbridge Gas Inc. shall file with the OEB and forward to all parties any objections to CME's claimed costs no later than **July 16, 2022**.

All other dates established in the Decision and Order remain unchanged.

Yours truly,

Nancy Marconi
