Dear Ms. Marconi:

Re: EB-2022-0086 – Dawn to Corunna Leave to Construct Application – Technical Conference

We are counsel to the School Energy Coalition (“SEC”). Pursuant to Procedural Order #2 issued by the Board, SEC intends to participate in the upcoming technical conference and hereby notifies Enbridge Gas Inc. and all other interested parties.

SEC currently expects to ask questions regarding the following topic areas: the capacities of the piping network, compressors, and storage facilities, alternatives to the proposed project, and allocation of costs of the proposed project. In addition, SEC may follow up on the questions of other intervenors during the technical conference. We request one hour for our questioning time.

Yours very truly,
Shepherd Rubenstein P.C.

Fred Zheng
