Attention: Ms. Nancy Marconi, Registrar

Dear Ms. Marconi:

**Re: Milton Hydro Distribution Inc. (“Milton Hydro”)
EB-2022-0049: Cost of Service Rate Application for 2023 Electricity
Distribution Rates (“Application”) – Request for Confirmation of Non-
Relevance**

We are counsel to Milton Hydro, the applicant in the above-referenced proceeding. Milton Hydro filed its responses to interrogatories on July 25, 2022. Pursuant to the OEB’s *Practice Direction on Confidential Filings* (the “Practice Direction”), Milton Hydro hereby requests the OEB to confirm that certain information contained in interrogatory response, 1-SEC-014 is not relevant to the proceeding and, as a result, should be permanently redacted.

Certain portions of the Business Plan and Budget documents, which are included as Attachments 1-1 to 1-3 to interrogatory response, 1-SEC-004, part (a) contain financial and other information that relates to Milton Hydro’s non-rate regulated affiliates and their non-rate regulated business. This information is not relevant and would not assist the OEB in deciding the matters at issue in this application. Milton Hydro has therefore redacted the non-relevant portions of the documents and access will be provided to the OEB only in accordance with section 11 of the Practice Direction.

Appendix ‘A’ attached hereto identifies (i) the specific information for which Milton Hydro claims non-relevance; (ii) page references in the associated attachments that contain the information in question, and (ii) the appendix attached hereto containing the confidential, unredacted copy of each document that is the subject of this request.

Yours truly,

Tim Pavlov
