Dear Ms. DeMarco:

Re: The intervention request of the Three Fires Group to jointly represent Chippewas of Kettle and Stoney Point First Nation together with Southwind Corporate Development Inc. (CKSPFN) and Caldwell First Nation Hydro One Networks Inc.'s Application for Leave to Construct the Chatham by Lakeshore project, Board File No.: EB-2022-0140

This letter is in response to your letter informing the Ontario Energy Board (OEB) that the Caldwell First Nation has joined CKSPFN for the purposes of the above-referenced proceeding. CKSPFN was granted intervenor status and eligibility to apply for an award of costs in Procedural Order No. 1. The interests of Caldwell First Nation, as expressed in the letter, are similar to those claimed by CKSPFN in its letter of intervention. The letter further requested that CKSPFN's intervenor status and cost eligibility be continued under the name of Three Fires Group, a recently incorporated Indigenous business corporation, which will jointly represent CKSPFN and Caldwell First Nation. The Three Fires Group Inc. stated that it accepts the record of the proceeding as it stands.

The Three Fires Group Inc. indicated that it is eligible for an award of costs under sections 3.03 (a) and 3.03(b) of the OEB's *Practice Direction on Cost Awards* and noted that it is eligible to apply for costs "as a party that primarily represents the direct interests of Indigenous consumers in relation to services that are regulated by the Board and a unique interest or policy perspective that is relevant to the Board's mandate and to the Proceeding".

The OEB approves Three Fires Group Inc. as an intervenor in this proceeding, to jointly represent the interests of CKSPFN and Caldwell First Nation, in respect of matters that are within the scope of this proceeding (discussed further in Procedural Order No.1).

Yours truly,

Nancy Marconi
Registrar
