DECISION AND ORDER

Active Energy Inc. (Active) filed two complete applications on May 13, 2022 with the Ontario Energy Board (OEB). One application, filed pursuant to section 50 of the *Ontario Energy Board Act, 1998* (OEB Act), is for renewal of Active's gas marketer licence, and the other, filed pursuant to section 60 of the OEB Act, is for renewal of Active's electricity retailer licence. Both licences are to expire on August 16, 2022 unless renewed.

The OEB combined the applications into one proceeding, under section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the applications without holding a hearing pursuant to section 6(4) of the OEB Act.

When evaluating applications for an electricity retailer and gas marketer licences, the OEB focuses its consideration on the requirements set out in Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers (Regulation). The record in these cases indicates that Active has met the requirements set out in the Regulation. The applications for renewal of Active's gas marketer and electricity retailer licences are granted.

IT IS ORDERED THAT:

1. The application for a gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an electricity retailer licence is granted, on such conditions as are contained in the attached licence.
