**Re: Extension Request of Licences- GM 2017-0164/ ER 2017-0165**

Dear Ms.Walli,

Energy Contracts Ontario Ltd.is requesting an extension of its licences to November 23rd, 2022. The renewal application has been completed and submitted for the review by the OEB. Energy Contracts Ontario Ltd. is asking for an extension of the licences in case there are staff interrogatories and responses that would be required for the renewal applications.

Lastly, the reason for the extension is because of personal reasons. If further information is required of these reasons, please let me know and I can submit the documentations.

Thanks,
