Dear Ms. Marconi,

**RE: GrandBridge Energy Inc.
2023 IRM Distribution Rate Application
OEB File No: EB-2022-0017**

In the Decision and Order EB-2021-0280, dated March 17, 2022, the Ontario Energy Board granted approval for Brantford Power Inc. and Energy+ Inc. to amalgamate and continue operations as a single electricity distribution company. The amalgamation transaction was effective on May 2, 2022, under the name GrandBridge Energy Inc. ("GrandBridge Energy") and License ED-2021-0280. As described in the application, GrandBridge Energy selected to defer rate rebasing for ten years and will continue to file annual IRM applications for each rate zone.

GrandBridge Energy submits its 2023 Price Cap Incentive Rate Setting application for Rates and other Charges, with a proposed effective date of January 1, 2023, covering both the Brantford Power Inc. (BPI) Rate Zone and the Energy+ (E+) Rate Zone. Where necessary, distinctions have been made between the two Rate Zones. This application is filed under the Board's e-Filing Services (RESS).

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Oana Stefan".
