Dear Ms. Marconi,

Re: Independent Electricity System Operator
          Confidentiality Request
          Ontario Energy Board File No.: EB-2022-0002

Confidentiality Request

In accordance with Rule 10 of the OEB's Rules of Practice and Procedure and section 5.1 of the OEB's Practice Direction on Confidential Filings, the IESO requests confidential treatment for Schedule 13 – 5.1 SEC 18 Attachment 1 – IESO Internal Audit Report_Project Management (REDACTED).

The IESO is filing the attachment but requests confidential treatment for the redacted portions in the attachment as disclosing information that relates to the IESO's IT systems creates a cyber security risk which would allow for a threat actor to gain insights into IESO systems and status that could be used for malicious purposes.

A table specifying the rationale for the information requested to be redacted is attached as "Appendix A". In the IESO's view, the items that have been redacted from the documents that are the subject of this confidentiality request, have no bearing to the consideration of any issues in this proceeding.

Please contact me directly at 416-729-3213 or at ben.weir@ieso.ca if you have any questions.

Yours truly,

Ben Weir
Senior Advisor, Regulatory Affairs
