Dear Mr. Todd:

**Re: Enbridge Gas Inc. - Application for the renewal of a municipal franchise agreement with, and certificate amendment for, the Municipality of Leamington  
OEB File Number: EB-2022-0201**

The Ontario Energy Board (OEB) issued a notice of hearing for the above-referenced application on July 27, 2022. By letter dated August 5, 2022, the Municipality of Leamington (Municipality) advised of its general intention to participate fully in the proceeding by submitting evidence, interrogatories, argument, and cross-examination.

The OEB will be issuing its Procedural Order No. 1 in this proceeding shortly. Before doing so, and to assist the OEB in setting out the procedural timeline for the hearing, the OEB requests that the Municipality provide additional detail in respect of the anticipated nature of its intervention. In particular, please advise of any specific issues the Municipality intends to raise in response to the application and how much time the Municipality expects it will need to prepare and file evidence, if any. Please also confirm that the Municipality intends to file interrogatories on the application and advise whether the Municipality would prefer to file its evidence, if any, before, or after, interrogatory responses are received.

Please respond to this letter by **August 19, 2022**. The OEB will consider your response and will issue a procedural order in due course.
