Further to the Ontario Energy Board's (OEB) acknowledgment letter dated August 5, 2022, the OEB has completed its preliminary review of your 2023 Price Cap Incentive Rate-setting application and will now commence the processing of the application. The next steps will be communicated in due course.

Pursuant to Chapter 1 of the [OEB's Filing Requirements For Electricity Distribution Rate Applications - 2022 Edition for 2023 Rate Applications](#), Waterloo North Hydro has confirmed that the documents it has filed in support of the above-referenced application do not include any personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) that has not otherwise been redacted.

Waterloo North Hydro is reminded that it is responsible for ensuring that the documents it files with the OEB, such as its evidence, responses to interrogatories, and any other supporting documentation, do not include personal information (as that phrase is defined in the *Freedom of Information and Protection of Privacy Act*) unless filed in accordance with rule 9A of the OEB's *Rules of Practice and Procedure*.

Please direct any questions relating to this application to Birgit Armstrong, Advisor at Arturo.Lau@oeb.ca.

Yours truly,

Nancy Marconi
