**INTERIM DECISION AND ORDER**

Energy Contracts Ontario Ltd. filed an application on August 3, 2022, with the Ontario Energy Board (OEB) pursuant to section 50 of the Ontario Energy Board Act (OEB Act), for a renewal of its agent only gas marketer licence.

The licence that is a subject of this renewal application was issued to the applicant on August 24, 2017 and remains in force until August 23, 2022. The licence provides that the term may be extended by the OEB.

As per section 48(1) of the OEB Act, no person shall carry on business as a gas marketer unless the person holds a gas marketer's licence. Considering the time required to process an application in accordance with the OEB's established practice and procedures, and considering that Energy Contracts Ontario Ltd. is currently engaged in gas marketing activities in Ontario, it is reasonable to issue an interim order to extend the term of the gas marketer licence GM-2017-0164, pending the final disposition of the matter. This Decision and Order does not constitute a final decision on the application.

The applicant is reminded that it carries the onus of filing an application in a timely manner considering the OEB's typical timelines for processing licence applications.

**IT IS ORDERED THAT:**

The term of licence GM-2017-0164 is extended to October 31, 2022, or the date of a final determination of the gas marketer licence application, whichever is earlier. All other conditions of licence GM-2017-0164 remain unchanged.
