Dear Ms. Marconi:

**Re: Hydro One Networks Inc.
2023-2027 Transmission and Distribution Joint Rate Application
Settlement Progress Letter
Ontario Energy Board Filed Number: EB-2021-0110**

In accordance with the Decision on Confidentiality Requests and Procedural Order No. 5, dated April 14, 2022, Ontario Energy Board (OEB) staff advises that due to the scope of the application and the complexity of the issues under discussion, more time is needed for the settlement conference. Participants in the settlement conference have agreed that it should be extended by at least two business days, through August 22, 2022, to enable their discussions to continue.

If the extension is granted, OEB staff commits to file another settlement progress letter by end of day on August 22, 2022, indicating whether further progress has been made and advising if participants believe that the settlement conference should be extended further.

Any questions relating to this letter should be directed to Martin Davies at Martin.Davies@oeb.ca, copying Tracy Garner at Tracy.Garner@oeb.ca and James Sidlofsky at James.Sidlofsky@oeb.ca.

Yours truly,

Martin Davies
Senior Advisor, Generation & Transmission
