Hydro One Networks Inc. has applied to the Ontario Energy Board to change its electricity distribution rates effective January 1, 2023. If the application is approved as filed, a typical residential customer and a typical general service customer of Hydro One Networks Inc. in the Orillia and Peterborough service areas would see the following change:

Rate Class	Monthly Bill Impact	
	Orillia	Peterborough
Residential 750 kWh	(\$0.28) per month	(\$0.22) per month
General Service less than 50kW (2,000 kWh)	\$10.00 per month	\$5.20 per month

The rates are determined using an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency.

Hydro One Networks Inc. has also applied to dispose of the balances in certain deferral and variance accounts including accounts that are collectively referred to as Group 2 accounts. The above-noted bill impacts include Hydro One Networks Inc.'s request to refund customers the amounts resulting from the disposition of the Group 2 deferral and variance accounts.

Other customers, including businesses, may also be affected. Please review the application for the complete list of approvals requested by Hydro One Networks Inc.
