Dear Ms. Marconi:

**Re: Hydro One Networks Inc.
2023-2027 Transmission and Distribution Joint Rate Application
Settlement Progress Letter
Ontario Energy Board Filed Number: EB-2021-0110**

In accordance with the Decision on Confidentiality Requests and Procedural Order No. 5, dated April 14, 2022, and in follow up to my letters of August 18 and 22, 2022 requesting previous extensions, Ontario Energy Board (OEB) staff advises that progress continues to be made in the settlement conference, and all participants agree that it should be extended by one more day, until August 24, 2022, to enable their discussions to continue.

If the extension is granted, OEB staff would commit to file another settlement progress letter by end of day on August 24, 2022, indicating whether further progress has been made and advising if participants believe that the settlement conference should be extended further.

Any questions relating to this letter should be directed to Martin Davies at Martin.Davies@oeb.ca, copying Tracy Garner at Tracy.Garner@oeb.ca and James Sidlofsky at James.Sidlofsky@oeb.ca.

Yours truly,

Martin Davies
Senior Advisor, Generation & Transmission
