Ms. Nancy Marconi,

Subject: Contested Hydro One Networks Inc. Service Area Amendment Application - 626 Principale Street, Casselman

Dear Ms. Marconi

On August 18, 2022 Hydro One Networks Inc. (HONI) filed a Service Area Amendment Application (SAA) to request an amendment to HONI's Licence (ED-2003-0043) and the distribution licence of Hydro Ottawa Limited (Hydro Ottawa) (ED-2002-0556) regarding the subject address. As part of HONI's application it was indicated that Hydro Ottawa has not provided consent to the SAA. Hydro Ottawa wishes to advise the Ontario Energy Board (OEB) that a contested SAA Application will be filed.

Subsequently, the OEB sent Hydro Ottawa a letter dated August 24, 2022 requesting information as it related to the customer connection at 626 Principale Street, Casselman. Responses were requested by September 2.

Hydro Ottawa confirms that its application to contest HONI's SAA application, as well as responses to the OEB's request for information will be provided no later than September 2, 2022.

Further, Hydro Ottawa wishes to note that it disagrees with certain facts made with respect to the SAA, most importantly that the customer's connection is at risk. Specifically, Hydro Ottawa has informed HONI that a temporary connection is required. It is Hydro Ottawa's understanding that HONI is able to provide the temporary connection within the timeline the customer has requested.

Hydro Ottawa also requests that future correspondence include our regulatory affairs general contact email, regulatoryaffairs@hydroottawa.com.

Sincerely,

DocuSigned by:
