Dear Ms. Marconi,

**RE: EB-2022-0002 IESO 2022 Revenue Requirement, Expenditures and Fees
Energy Probe Request for an Extension for Filing its Cost Claim**

Energy Probe is requesting an extension for filing its cost claim for its costs for the EB-2022-0002 IESO 2022 Revenue Requirement, Expenditures and Fees proceeding. The due date for the submission of cost claims for this proceeding was August 18.

Tom Ladanyi did not represent Energy Probe in the proceeding, he represented CCMBC, but I had assumed that in accordance with Energy Probe agreements he would file a cost claim for myself was prepared and sent to him on August 12, 2022.

However this was not done and therefore the Energy Probe Claim was not filed. I was not aware of this omission, until advised by Ms. Christiane Wong today. Mr. Ladanyi filed a request for extension today. However due to OEB procedures Mr. Ladanyi is not allowed to file a claim for myself representing Energy Probe.

Energy Probe apologizes for missing the deadline and hopes that the OEB will accept our explanation and apologies and allow me to file the cost claim for Energy Probe as soon as feasible after August 31, 2022.

Respectfully submitted on behalf of Energy Probe.

Roger Higgin PhD. M.B.A. P. Eng. SPA Inc.
