**Re: Enbridge Gas Inc. (Enbridge Gas)  
Ontario Energy Board (OEB) File No. EB-2022-0157  
Panhandle Regional Expansion Project  
Technical Conference Presentation**

---

Enbridge Gas is in receipt of Pollution Probe's Letter of Comment filed September 8, 2022, which recommends that the Technical Conference commence with a presentation by Enbridge Gas to provide an overview of the Panhandle system, factors driving the proposed project, and interaction with the broader system.

Enbridge Gas confirms it will accommodate the request and will begin the Technical Conference with a presentation of that nature.

If you have any questions, please contact the undersigned.

Sincerely,
