Dear Ms. Marconi:

**Re: EB-2021-0118 - Framework for Energy Innovation: Distributed Resources
and Utility Incentives**

Enclosed please find the cost claim of Environmental Defence in the above matter.

Please note that I have claimed 10.6 hours under the category for “working group/sub-group member lead role in drafting the FEIWG or a sub-group’s report.” These hours correspond to the period during which I was taking the lead in preparing the report for the BCA subgroup. It appears to me that those are eligible hours. However, the lead role in preparing the BCA subgroup report later shifted to others, mainly Chris Codd. If the 30 hours can only be claimed by one individual, I am happy for one of my colleagues to claim the entire amount and for the enclosed claim to be reduced by the 10.6 hours noted above.

Please do not hesitate to contact me if you have any questions.

Yours truly,

Kent Elson
