Dear Nancy Marconi:

**Re: Enbridge Gas Inc. (Enbridge Gas)
Ontario Energy Board (OEB) File No. EB-2022-0157
Panhandle Regional Expansion Project
Intervenor Evidence Proposals**

Enbridge Gas is in receipt of Environmental Defence and Paul Courey's submissions regarding proposed intervenor evidence. Given the limited details set out within the submissions, Enbridge Gas is not able to comment on the relevance of the proposed evidence at this time, but reserves its rights to challenge the evidence on that basis once clarity is provided. As a matter of procedural fairness, the Company asks that if the OEB makes provision for the proposed evidence, it also make provision for discovery and for Enbridge Gas to file responding evidence, should the Company elect to do so.

If you have any questions, please contact the undersigned.

Sincerely,

Haris Ginis
