Dear Ms. Marconi:

**Re: EB-2022-0157 - Leave to Construct Application - Panhandle Regional Expansion Project - Enbridge Gas Inc. (“Enbridge”)
Technical Conference Participation
Association of Power Producers of Ontario (“APPrO”)**

We are counsel to APPrO in the above-noted proceeding. On August 12, 2022, the Ontario Energy Board issued Procedural Order No. 1 requesting parties that intend to participate in the technical conference to file clarification questions or the topic areas for which they require clarification. APPrO intends to participate in the technical conference in the following topic areas:

- Enbridge responses to APPrO interrogatories; and
- Issues related to gas-fired generation.

APPrO does not expect that its questioning will be extensive and will likely only require 15 minutes. Please contact the undersigned if you have any questions.

Yours truly,
