## DECISION AND ORDER

Energy Contracts Ontario Ltd. (Energy Contracts) filed an application on August 3, 2022, with the Ontario Energy Board (OEB) pursuant to section 50 of the *Ontario Energy Board Act* (OEB Act), for a renewal of its agent only gas marketer licence. On August 3, 2022, Energy Contracts also filed an application pursuant to section 60 of the OEB Act for a renewal of its agent only electricity retailer licence.

The OEB combined the applications into one proceeding, pursuant to section 21(5) of the OEB Act. This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the applications and assessing the applicant's technical capability, financial viability and conduct, the OEB finds that it is in the public interest to grant the applications and issue an agent only gas marketer licence and an agent only electricity retailer licence to Energy Contracts Ontario Ltd.

### IT IS ORDERED THAT:

1. The application for an agent only gas marketer licence is granted, on such conditions as are contained in the attached licence.
2. The application for an agent only electricity retailer licence is granted, on such conditions as are contained in the attached licence.
