Dear Mr. Allen:

**Re: Ottawa River Power Corporation (Ottawa River Power)  
Delay in Filing 2023 Incentive Rate-setting (IRM) Application  
Ontario Energy Board File Number: EB-2022-0058**

This letter is in response to your letter dated October 25, 2022, requesting an extension to the date for the filing of Ottawa River Power's IRM application from November 2, 2022, to November 16, 2022. In its letter, Ottawa River Power states that it requires additional time to analyze and calculate principal adjustments from 2015 to 2020 on RSVA Power and Global Adjustment in response to recommendations made by the Ontario Energy Board during its review of Ottawa River's 1588 and 1589 accounts.

The OEB grants Ottawa River Power's request for an extension. Please be advised that any delays to the filing of Ottawa River Power's application could affect the timing of the OEB's final decision in this matter.

Yours truly,

Nancy Marconi  
Registrar
