Dear Ms. Robertson:

**Re: Synergy North Corporation (Synergy North)  
Delay in Filing 2023 Incentive Rate-setting Mechanisms (IRM) Application  
Ontario Energy Board File Number: EB-2022-0063**

This letter is in response to your letter received on October 27, 2022, requesting an extension to the date for the filing of Synergy North's IRM application from November 2, 2022, to November 9, 2022. In its letter, Synergy North stated that as of the date of its letter, its Rate Generator Models were with OEB staff undergoing corrections required by Synergy North.

The OEB grants Synergy North's request for an extension. Please be advised that any delays to the filing of Synergy North's application could affect the timing of the OEB's final decision in this matter.

Yours truly,

Nancy Marconi  
Registrar
