Dear Ms. Marconi:

**Re: Enbridge Gas Inc. (“Enbridge Gas” or the “Company”)
Ontario Energy Board (“OEB”) File: EB-2022-0111
Bobcaygeon Community Expansion Project (the “Project”)**

Further to the request filed by Enbridge Gas on July 5, 2022 to adjourn the above-noted proceeding until October 31, 2022,¹ and the OEB’s letter of July 6, 2022 accepting the reasons provided by Enbridge Gas and placing the application into abeyance, Enbridge Gas is writing to advise the OEB that updated market analysis has just been completed in the Project area and the Company is now working to analyze and interpret the results of that analysis and to make updates to its application, as appropriate.

To allow the completion of this work, Enbridge Gas requests that the OEB continue to hold the application in abeyance until February 28, 2023. As Procedural Order No. 1 has not been issued, the continuation of abeyance sought by Enbridge Gas does not cause any prejudice to intervenors.

Please contact the undersigned if you have any questions.

Yours truly,

Adam Stiers
