November 3, 2022

DECISION AND ORDER

Edgecom Energy Inc, filed a complete application with the Ontario Energy Board (OEB) on October 26, 2022 under section 50 of the *Ontario Energy Board Act, 1998* (OEB Act) for gas marketer licence.

This Decision and Order is being issued by the Delegated Authority, pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

When evaluating applications for gas marketer licences, the OEB focuses its consideration on the requirements set out in Ontario Regulation 90/99: Licence Requirements - Electricity Retailers and Gas Marketers.

After considering the application and assessing the technical capability and financial viability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the gas marketer licence to Edgecom Energy Inc.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
