Dear Mr. Pettit:

**Re: ERTH Power Corporation (ERTH Power)  
Delay in Filing 2023 Incentive Rate-setting (IRM) Application  
Ontario Energy Board File Number: EB-2022-0029**

This letter is in response to your letter received on November 4, 2022, requesting an additional extension to the date for the filing of ERTH Power's IRM application from November 2, 2022, to November 23, 2022. ERTH Power stated that they are continuing to work through the application to ensure a smooth process of review.

The OEB grants ERTH Power's request for an extension. Please be advised that any delays to the filing of ERTH Power's application could affect the timing of the OEB's final decision in this matter.

Yours truly,

Nancy Marconi  
Registrar
