**Re: Kingston Hydro Corporation (Kingston Hydro)
2023 Cost of Service Rate Application**

On October 28, 2022, Kingston Hydro filed a settlement proposal reflecting a complete settlement on all issues in the proceeding. On November 4, 2022, OEB staff filed a submission on the settlement proposal.

In a letter dated October 24, 2022, the OEB extended a number of procedural dates and cancelled the tentative date of November 11, 2022, to have Kingston Hydro present the settlement proposal. The OEB stated that it would reschedule a date for the settlement proposal presentation, if necessary.

This letter is to confirm that, based on the OEB's review of the settlement proposal and the submission from OEB staff, the OEB does not find it necessary to set a date for Kingston Hydro to present the settlement proposal to the OEB.

Yours truly,

Nancy Marconi
