**Regarding: Application for Electricity Distributor Licence (EB-2022-0239)**

Dear Mr. Pickernell and Mr. Yusufali,

On November 2, 2022, Cooperative Hydro Embrun Inc. received a letter from the OEB stating that its application for an Electricity Distributor Licence, filed on September 1, 2022, was deemed incomplete. The incomplete status is related to the utility's key individuals.

Cooperative Hydro Embrun Inc. has reviewed the criteria and maintains that its Manager, Benoit Lamarche is the only executive fulfilling all of the functions indicated in the Certification and Acknowledgment section and as such, remains the sole contact.

In smaller utilities, such as Cooperative Hydro Embrun Inc, the Manager is the equivalent of the Chief Executive Officer, Chief Operating Officer and President.

Yours very truly,

A handwritten signature in blue ink, appearing to be 'B. Lamarche', written in a cursive style.
