To Parties in EB-2022-0041:

**Re: Hydro One Remote Communities Inc. (Remotes)
2023 Revenue Requirement and Rates**

In Procedural Order No. 1, dated October 19, 2022, the OEB scheduled a settlement conference, among other matters and advised that the OEB Panel would determine if OEB staff will be a party to the settlement conference at a later date. Section 11 of the OEB's *Practice Direction on Settlement Conferences* provides, in part, that "In some cases, the OEB may provide for OEB staff to be a party to the settlement conference and to any resulting settlement proposal."

The OEB has determined that in this case, where there is only one intervenor (Wataynikaneyap Power GP Inc.), OEB staff will be a party to the settlement conference and any settlement proposal.

Yours truly,

Nancy Marconi
