

ONTARIO ENERGY BOARD NOTICE TO CUSTOMERS OF BLUEWATER POWER DISTRIBUTION CORPORATION

Bluewater Power Distribution Corporation has applied to raise its electricity distribution rates.

Learn more. Have your say.

Bluewater Power Distribution Corporation has applied to the Ontario Energy Board to raise its electricity distribution rates effective May 1, 2023. If the application is approved as filed, a typical residential customer and a typical general service customer of Bluewater Power Distribution Corporation would see the following increase.

Residential 750 kWh	\$3.55 per month
General Service less than 50kW (2,000 kWh)	\$5.40 per month

Other customers, including businesses, will also be affected.

It is important to review the application carefully to determine whether you may be affected by the changes proposed in the application.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Bluewater Power's application. During this hearing, which could be an oral, electronic or written hearing, we will question Bluewater Power on its case for a rate increase. We will also hear questions and arguments from stakeholders that have registered to participate (called intervenors) in the OEB's hearing. At the end of this hearing, the OEB will decide what, if any, rate increase will be allowed.

Distributors such as Bluewater Power typically apply for a full review of their rates every five years. Any rate changes for the years in between are made by applying an OEB-approved formula which is tied to inflation and other factors intended to promote efficiency. You may not get notice of future rate changes made by applying the formula.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review Bluewater Power's application on the OEB's website now
- You can file a letter with your comments, which will be considered during the hearing
- You can apply to become an intervenor. As an intervenor, you can ask questions about Bluewater Power's application and make arguments on whether the OEB should approve Bluewater Power's request. Apply by **November 30, 2022** or the hearing will go ahead without you and you will not receive any further notice of the proceeding
- At the end of the process, you can review the OEB's decision and its reasons on our website
