Gas prices are already too high. We live in a cold country, how the heck is someone supposed to warm their home and survive when every cooperation is price gauging for their own personal gain. The price to the company is miniscule compared to the price to the customer. This is belligerent communism, always pushing the people down for the gain of the rich. PRICE INCREASES SHOULD BE DENIED. Also, why was I sent the email about this AFTER the hearing already took place?? Trying to get away with it. PRICE INCREASES SHOULD BE DENIED. PRICE INCREASES SHOULD BE DENIED. PRICE INCREASES SHOULD BE DENIED. PRICE INCREASES SHOULD BE DENIED. PRICE INCREASES SHOULD BE DENIED. PRICE INCREASES SHOULD BE DENIED.
