Just got the notification, that Embridge is requesting a new increase on the gas price.
This, to put in simple words, is a outrageous.
They already increased the rates, without any consultation, from September 2022.
Just some numbers, from my last invoices:
August, I paid \$58.53
They sent a notification, about an increase from the next month.
September, I got an invoice for \$89.00
This is a 52% increase !!!!!!!
My only qualification for this company, is that they are a bunch of burglars, thief.
NO, I do not support this new price increase.
