Dear Ms. Marconi,

**EB-2022-0190 - B2M Limited Partnership (B2M LP) - Application for 2023 Transmission Revenue Requirement – Draft Decision & Order Comments**

Hydro One Networks Inc. on behalf of B2M LP has one comment relating to the draft Decision and Order for B2M LP's 2023 Transmission Revenue Requirement Application, sent by the Ontario Energy Board (OEB) on November 15, 2022. On page 4 of the draft Decision there appears to be a numerical error; B2M LP's revenue requirement represents approximately 1.6% of the total revenue requirement across all transmitters as per Exhibit A-4-1 Table 5 footnote \*\*\*, however 1.8% is shown in the draft Decision.

An electronic copy of the responses has been submitted using the Board's Regulatory Electronic Submission System.

Sincerely,

Kathleen Burke
