Attention Commissioners

I am writing in regards to your rate increase. Canadians today can not afford at this time a rate increase. To bill Canadians for new pipe lines and upgrades at this time is ridiculous. We have high inflation we are in a recession if not a depression. If you are unable to stop the increase then I suggest a rebate for a low income Canadians like hydro has so as not to put any more hardship on our already hurting poor.

Thanking you in advance.

Sylvia Kovacs
