To whom it may concern,

I STRONGLY OBJECT to an increase to residential gas prices. My gas bill has already increased substantially recently, and as a senior on a fixed income, I simply cannot afford to pay more for my heating. Please do not allow any further increases to gas prices, as I will be forced to sell my home if my costs of living keep increasing. I support our efforts to curb inflation, so please align yourself with this effort by NOT approving this price increase and stop out of control inflation. Thank you.
